

## Extraordinary Ministers of Holy Communion June-July, 2018

### Notes:

We are happy to welcome back Nancy Czupkowski and Jo Petrie.

We also have three additional new ministers who will hopefully be added to the August- September schedule.

And we are going to lose Andrew Maslar, as he graduates from high school and heads south to college. Thank you Andrew for your services to St Jude Parish., We know that God will bless you and your future endeavors.

### And a couple of reminders:

Although the warm weather has finally arrived, we are still expected to dress conservatively when we serve - Men are requested to wear a jacket and tie. Women may wear skirts, dresses or nice pants.

When serving the Eucharist (in either species) in positions on the side of the altar by the Baptismal Font, please be sure to offer the Eucharist to any handicap communicants and their families in either of the "Reserved" rows. This is in the section closest to the statue of Mary.
