

## Extraordinary Ministers of Holy Communion June-July, 2019

**LEAD:**

*Thank you to everyone who worked so hard to get the LEAD process completed. And to those who are still working on it. We know it's been challenging for many and downright frustrating for some.*

*However, as you could see from our most recent emails, th Diocese was pretty emphatic that this had to be copleted by June 1st if people were going to be able to serve. And we all learned as we went through the process.*

*If we were not able to give you an assignment on this schedule, we apologize, but we needed to complete this in order to get it out on time.*

And just a reminder that with only 2 EMHC assigned to a mass, it is even more important that both be present. Please consider dressing prepared to sub at least some of the time when you come to mass.

Have a blessed and healthy summer!
