

The time is coming quickly for the festival in August and the raffle which is an integral part of it has some great prizes to offer this year.

First Prize is a round trip cruise for two out of New York or 8 days and 7 nights aboard The Norwegian Encore with specialty dining and internet included.

Second Prize is a LG 55" class 4K Ultra HD LED LCD TV

Third Prize is an Apple iPad 9.7-inch 32g WIFI

The raffle has been a great way for the parish to earn funds for necessary repairs and maintenance of our buildings and grounds. This year it is hoped that we will have a large participation to help the parish as we move forward.

In years past we were able to distribute the tickets to the parishioners using our bulk permit from the US Postal Service. This is no longer possible due to restrictions on the bulk permit per the post office. Therefore, we have to find another way to distribute them to the parishioners. We will beginning the weekend of May 18th have them available for pickup at the rear of the church before and after all Masses. This will continue for the following two weeks. The committee in order to know who has picked up their tickets, requests that you print your name and address on one of the clipboards available and then give it to one of the members and receive your packet of 10 chances to win one of the great prizes. This will enable us to know who has received their tickets. If you have a family member or neighbor that normally receives the tickets you may pick up theirs by listing their name and address separately. You may also pick up a packet of tickets at the parish office during normal business hours. Purchased and un purchased tickets may be returned together with payment to the parish office or dropped into the collection plate addressed to the raffle committee during mass. Thank You.
